2022 Fall Newsletter

Nola (aka Ripley)'s three German Shepherd puppies survived because of you!

Young at heart but have an old soul

The Seniors for Seniors Program at Brant County SPCA is designed to match senior cats who are over 8 years old with seniors in our community who are looking for companionship.

Like Boo & Janice here, senior cats and older adults can both enjoy a slow-paced life, take their time to smell the roses, and cuddle happily with their feet (and paws) curled up on the couch.

We are so grateful to all the seniors in our community who know that these cats have a lot of love to give in their later years.

Seniors for Senior Program members Boo & Janice

Nola (Ripley) came to the shelter pregnant and already almost 30 hours into labour because one of her puppies was stuck. After a long, complicated labour she eventually needed a C-Section.

Through Project Patchwork, which helps animals in our care access specialized surgery and treatment, we were able to give Nola (Ripley) all the medical attention she needed, and save three of her puppies.

When you give to Project Patchwork you're helping animals in our care get the emergency surgery they need to be healthy and ready for adoption. More than that, you are supporting our team of expert animal care staff in their tireless work to provide food, medical care, socialization, and love to prepare pets to be matched with their forever families.

Unfortunately, due to Nola (Ripley)'s deteriorating condition after surgery she was only with us a couple of months before passing away. But her legacy lives on in her three healthy puppies who were in the SPCA foster care program and have now been adopted! In typical German Shepherd fashion, they will be happily focused on ball chasing and playing in no time just like their mom.

Share the Love

We are so grateful to all our donors, adopters, foster volunteers and animals lovers in the community.

Thank you!

We would love to hear why you support the SPCA. Complete our survey today at brantcountyspca.com/survey

"I give to the SPCA because I believe everyone, people and animals, deserve to feel this kind of love"

Paws in Time Calendar coming soon!

Looking for something special for the Holidays for that animal lover in your life? Or maybe you want to get organized for next year! Either way, we've got the purrfect calendar for you. We've partnered with the County of Brant Firefighters to bring you a calendar full of Brant County SPCA Alumni and their stories.

All proceeds will support animals, just like Ripley and her puppies, at the shelter and in the community.

In 2021 your support meant the world to us

Because of your kind support, we are proud to find homes for thousands of animals in need every year.

When we reflect on 2021 and all the triumphs and challenges, you come to mind. From our incredible team of volunteers and fosters, our loving donors, adopters who create forever homes, and our hardworking shelter staff, you all create a community that understands the important bond and connections animals bring to our lives.

From your generous donations that help cover expenses for animals in our Foster, Fospice, and Project Patchwork programs, to the kind knitted blankets that bring our animals comfort, your support is seen by us every day.

Each and every action fills our hearts with gratitude and brings purrs, tail wags, and bunny nosed-twitches from all of the animals in our care. Thank you.

4,221

Gifts donated from our generous donors

31

Pets for Life wellness checks

27

Pets for Life spay neuter services

27, 272

Meals given to support families with pets in need

With change comes so much possibility

There has been a lot of change at the Brant County SPCA, change can be perceived as good or bad, but we always try to learn and grow in everything we do to better protect animals in our care.

We are proud to share that the Brant County SPCA has received our accreditation certificate for the Brant-County SPCA Companion Animal Mobile! Thanks to ongoing partnerships with local veterinarians, the Brant County SPCA now has a mobile clinic under the Companion Animal Mobile Program through the College of Veterinarians of Ontario. Our new mobile clinic will enable us to expand our services and help more animals that are in need of wellness checks, medications and other needed veterinary care.

After years of hard work and loving care, providing animal control services for the City of Brantford, the SPCA is no longer their service provider. We will continue to support and enhance the human animal bond in our community, and help animals in need through our many other programs including hundreds of adoptions, Pets for Life, Emergency Boarding and more.

Your loving support provides necessary funds for animals that are in need of emergency surgeries, medications, as well as daily basic needs like food, toys and more.

Your generous donations help create programs and support families and empower volunteers to help animals that require care beyond the walls of our shelter. Thank you!
